

Massanutten Resort Strategic Proposal

By: Grady Allen

Case Overview

Background Information & Strategic Direction

About Massanutten

Massanutten Resort is a four-season destination in Virginia's Shenandoah Valley, offering year-round activities for all ages such **as skiing, snowboarding, golf, water parks, hiking, and more**.

Opportunity

Capitalize on the **educational travel market** by leveraging Massanutten's **outdoor assets, creating new STEM-based adventure programs** for families and schools.

Strategic Direction

Create structured STEM adventure programs that **complement existing recreational offerings**, generating incremental **year-round revenue** from families and school groups.

Operational Strategy

STEM Adventure Programs at Massanutten Resort

Program Offerings

Leverage Massanutten's **existing assets,** creating new **STEM** learning **adventures** and **activities**.

Geology/Ecology Hikes	Massanutten Trails
Hydrology & Engineering	Mass Waterpark
Ski Physics & Weather	Mass Ski Slopes
Rotational Labs	Conference Rooms

Program Structure

School Groups

A 6-hour **immersive experience** (9 AM–3 PM) for groups of K-12 students, scalable to 30–50 students per day.

Families

1.5-hour drop-in weekend workshops (Sat/Sun, 10 AM–4 PM) for families, **featuring hands-on activities**.

Projected Revenue

Students

$75/Student
50 Students/Week
~$15,000/Month

Families

$45/Workshop
100 Workshops/Month
$4,500/Month

Broader Client Reach

Why Families & Schools are a Lucrative Untapped Market

Macro Trends

$265B — $265B US family travel market by 2029

$175M — $175M U.S. educational tourism market by 2030, 11.4% CAGR

96% — 96% of parents prioritize "real life" learning experiences for K-12 students

89% — 89% of students say educational trips positively impact their learning, careers, & curiosity

Massanutten's Location

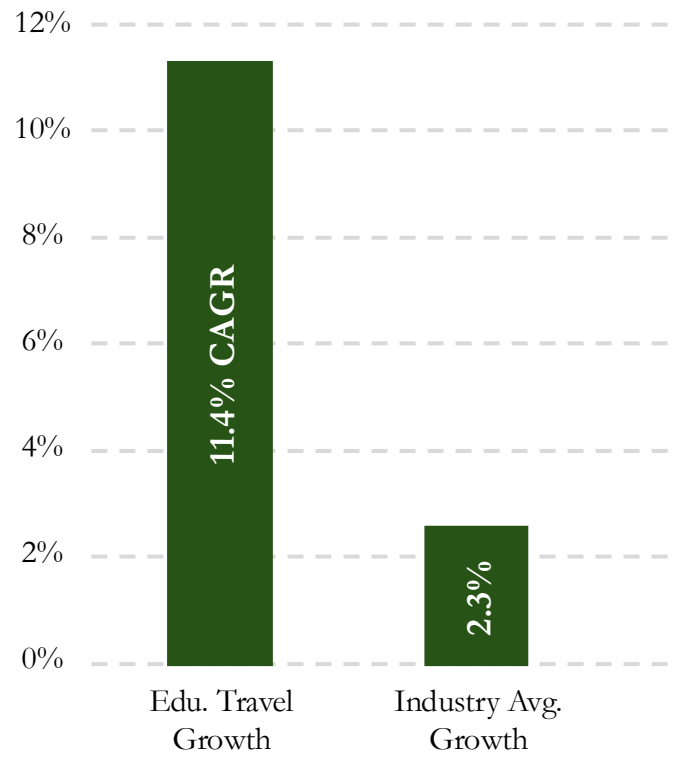

With **50+ school districts** within a **2-hour drive**, Massanutten is uniquely positioned to capture this demand.

Competitive Differentiation

No immediate competitors in the Mid-Atlantic offer STEM-adventure combos.

BRYCE RESORT · Wintergreen Resort · OMNI HOMESTEAD · Snowshoe

Edu. Travel Growth vs. Trad. Resort Rev. Growth (CAGR)

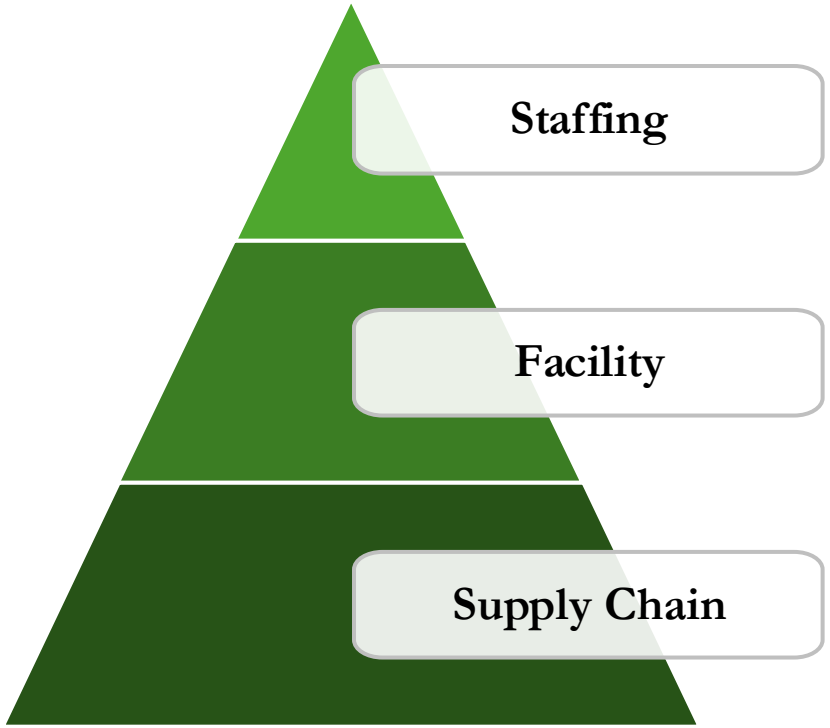

Cost Synergies

Leveraging Existing Assets to Generate New Revenue

Cost Synergies

By **cross-training** staff and **repurposing** existing facilities, Massanutten can unlock new revenue streams **without** major capital **investment**.

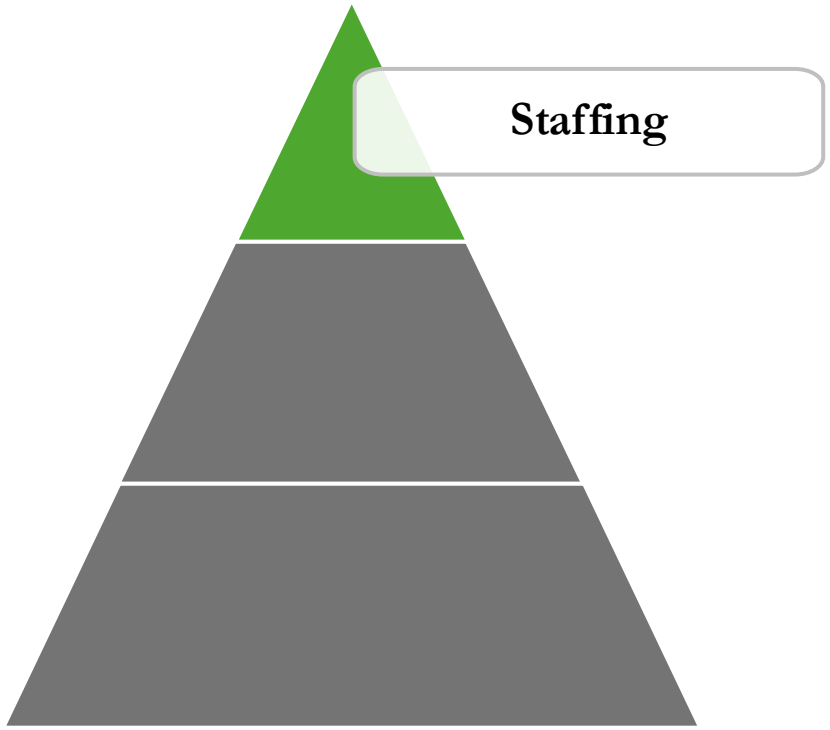

Cost Synergies

Leveraging Existing Assets to Generate New Revenue

Cost Synergies

By **cross-training** staff and **repurposing** existing facilities, Massanutten can unlock new revenue streams **without** major capital **investment**.

Staffing

Massanutten will **cross-train existing staff** to deliver STEM activities.

Existing Position	Cross-Trained Position
Ski Instructor	Snow Physics Instructor
Hiking Guide	Geology/Ecology Instructor
Lifeguard	Water Safety & Science Instructor

15%

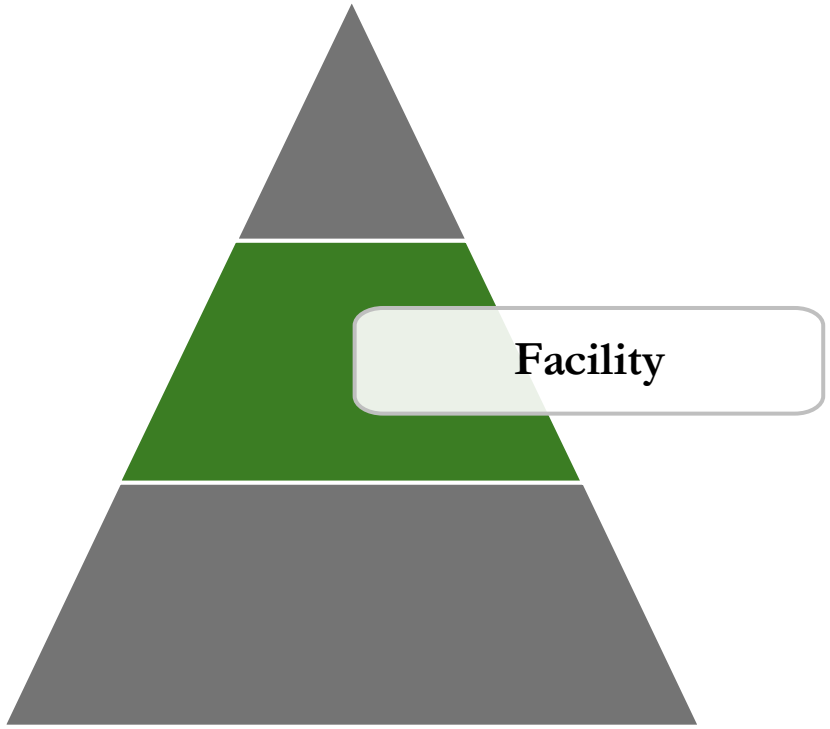

Businesses can reduce hiring and onboarding costs by an average of 15% through cross-training

Cost Synergies

Leveraging Existing Assets to Generate New Revenue

Cost Synergies

By **cross-training** staff and **repurposing** existing facilities, Massanutten can unlock new revenue streams **without** major capital **investment**.

Facility

Massanutten will maximize ROI by strategically **repurposing underutilized assets** and **expanding program capacity** while **minimizing costs.**

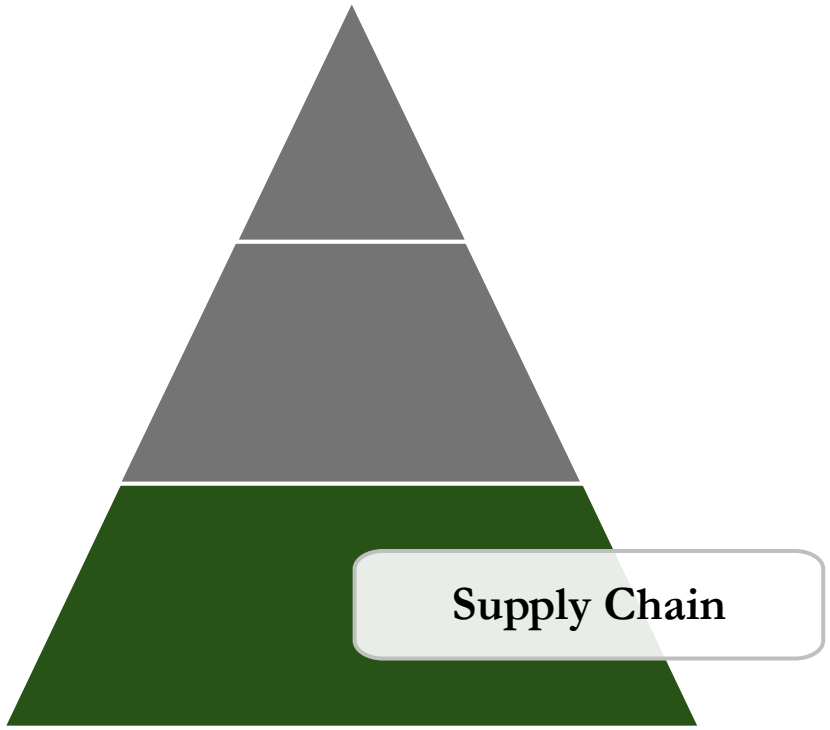

Asset	New Use
Conference Rooms	STEM Labs
Camp Cabins	Year-Round Workshop Hubs
Trails	Outdoor Classrooms

Cost Synergies

Leveraging Existing Assets to Generate New Revenue

Cost Synergies

By **cross-training** staff and **repurposing** existing facilities, Massanutten can unlock new revenue streams **without** major capital **investment**.

Supply Chain

Massanutten will **leverage existing channels** to source STEM program materials and F&B at reduced costs while ensuring **seamless operational integration**.

Sustainability

Repurpose existing equipment (e.g., flotation devices for buoyancy experiments) to **maximize resource efficiency** and **lower capital expenses**.

Efficiency

Shared F&B vendors **reduce delivery frequency** and administrative overhead.

Implementation

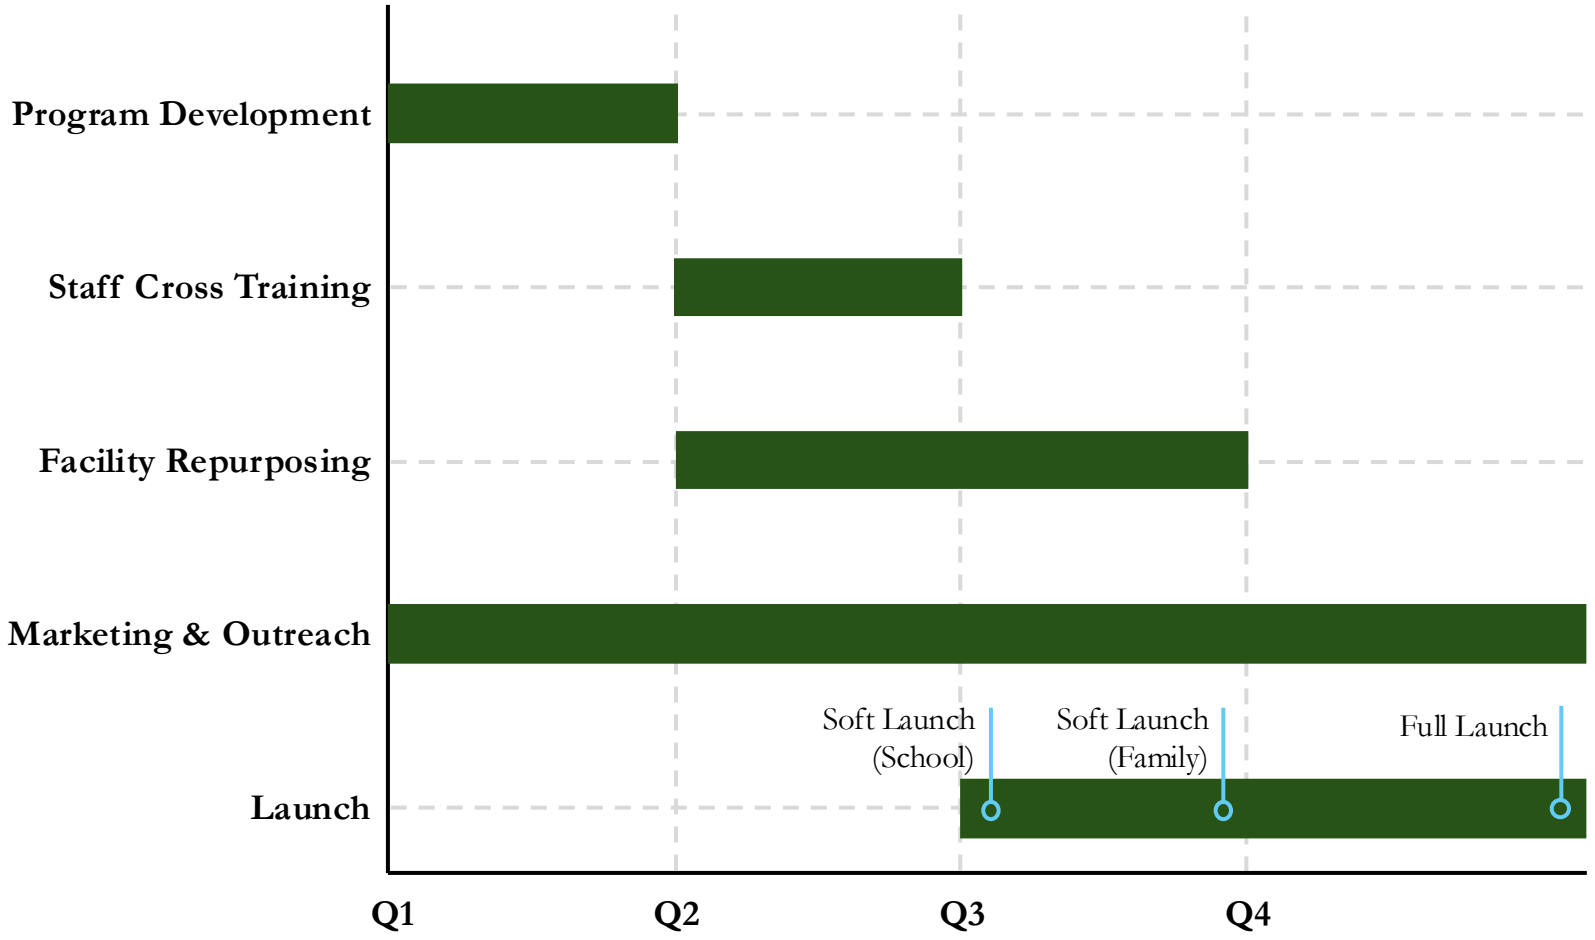

Launch Overview

Timeline

Massanutten will execute a **four-phase rollout**. Development and marketing will begin in Q1. Q2 will focus on operational readiness through staff **cross-training** and facility prep. The program will **soft launch in Q3** with school groups, followed by family trials to refine the experience. **Full public launch** will occur in late Q4.

Implementation Investments

~$141,500

Closing Thoughts

Wrap Up & Impact

Strategic Direction

Create structured STEM adventure programs that **complement existing recreational offerings**, generating incremental year-round revenue from families and school groups.

Impact

- **Increased revenue** of up to $15,000/month from student groups and $4,500/month from family workshops
- **Higher asset utilization** through cross-functional staffing and leveraging existing facilities
- **Enhanced guest satisfaction** via innovative, educational programming that appeals to schools and families alike

Closing Thoughts

By tapping into the **U.S. educational travel market**, this strategy positions Massanutten as a **regional leader** in STEM tourism. With a foundation in **efficiency, adaptability**, and **growth**, Massanutten can drive long-term value through **strategic innovation** and **expanded clientele**.
