# JMU Residence Life Proposal

## MCC x JMU Res Life

MADISON CONSULTING CLUB

# Agenda

Digital JACard, Dorms/Spaces, Involvement, & Data Cleanup

**1. Digital JACard**

Implement a mobile-first JACard system to streamline access, payments, and campus authentication.

**2. Dorms/Spaces**

Upgrade dorm amenities and study environments to improve comfort, functionality, and student productivity.

**3. Involvement**

Increase residence hall engagement through more accessible and incentivized community programming.

**4. Data Cleanup**

Centralize Residence Life data collection and analysis to enable more informed decision-making.

JMU Residence Life

# Digital JACard

Adding Digital ID for Improved Student Experience

## Mobile ID is Falling Behind

*70% of college students consider digital Student IDs important when selecting a college. JMU is behind the technological curve.*

| | |
|---|---|
| **Outdated Tech** | Lacking NFC (tap-to-pay) capabilities |
| **Bad UI** | Outdated interface, poor user experience |
| **Difficult to Use** | Need correct number, forgetting JACard |

### Envisioned Use Cases

## Considerations for Digital JACard Implementation

**Credential Systems**

Transact Campus and CBORD CS Gold offer digital credential solutions

**Infrastructure Costs**

Must replace dorm-entry reading systems and manage platform costs

**System Backup Plan**

Formulate plans to manage digital ID system failures

## Colleges that have Implemented Digital IDs

**Temple University**
*More than 30k digital IDs provisioned with 85% adoption*

**Penn State University**
*25k credentials provisioned, 84% adoption rate in one year*

**University of Pittsburgh**
*Experienced 155% growth in mobile ordering sales*

# Dorms & Study Spaces

Enhancing Student Living at JMU

## Improved Dorm Furniture

**Softer Quality**

24.7% of students cited uncomfortable desk chairs and 5.1% flagged uncomfortable mattresses

**Outdated Furniture**

12.1% of students described dorm furniture as old or worn

**Dorm Checks**

19.5% of students reported furniture broken or damaged upon arrival,

## Printer Installation

**Expanding Print Access to Residence Halls**

**Implementation Overview**

- **~$20,000 – 25,000**
- **Network Integration**
- **RA Responsibility**

## RecRe

**RecRe is an automated smart locker kiosk that lets students borrow everyday essentials, like chargers, study supplies, or dorm necessities, by simply scanning a QR code.**

**Kiosks are placed where students already are, dorms, rec centers, and courts. No staff needed. Students scan, grab their gear, and go.**

**Continued Adoption**

RecRe has **expanded to 70+ campuses** nationwide, showing continued adoption.

**Strong Engagement**

Usage data shows strong engagement characteristics, with **60% of rentals occurring outside normal staffing hours**

# Involvement

Increasing Engagement to Strengthen Community and Retention

## Hall Engagement

Increasing engagement leads to stronger student outcomes, as on-campus students retain at rates up to **2-3%** higher than their off-campus peers.

### Points Incentives and Raffles

- One required RA event during frog week to increase participation and connect students
- Attending more events earns more points and increases raffle entries
- End-of-semester raffles with fun, motivating prizes. Focus on positive incentives rather than penalties

### Grab-and-go Events

- Placed in **high-traffic areas**
- Quick, **<5 minute** participation
- Designed for **natural conversation**

**Coffee and Commute**
First come, first served

**Career Bites**
Snacks + Internship Tip Flyers

### Scavenger Hunts During Freshman Move-In

Getting to know the dorm space helps anxious/homesick new students settle in

Roommates pair up and start the hunt after moving in → Explore the dorm with small prizes along the way → Students feel comfortable and less isolated

# Data Cleanup

Finding Insights in Res Life Student Survey

## Survey Data Transformation for Analysis

| I know how to evacuate the building in case | 0.1% | 0.8% | 32.0% | 67.1% | 99.1% | 0.9% |
| The atmosphere in the study lounge is con | 2.0% | 8.1% | 52.1% | 37.8% | 89.9% | 10.1% |
| The atmosphere in my residence hall is co | 1.9% | 11.8% | 60.1% | 26.2% | 86.4% | 13.6% |
| The atmosphere in my residence hall allow | 1.8% | 11.7% | 51.9% | 34.6% | 86.5% | 13.5% |
| I am satisfied with the furniture provided for | 0.8% | 5.9% | 57.6% | 35.8% | 93.3% | 6.7% |
| My Resident Adviser (RA) is approachable. | 1.3% | 2.6% | 35.1% | 61.0% | 96.2% | 3.8% |
| My RA enforces policy fairly. | 0.6% | 2.5% | 43.9% | 53.0% | 96.9% | 3.1% |

Converted spreadsheet data into a clean data table for easy data analysis.

### Res Life Student Survey

- JMU Residence Life sends out survey to on-campus students each semester
- Questions cover student satisfaction in dorms
- Survey data was presented in a raw spreadsheet, not able to be analyzed

### Key Insights from Data

- 25% of students believe cleanliness of public areas could be improved
- 33% of students let people into dorms even if they don't know them
- There is discrepancy between the interest and impact of residence hall programs

### Adding Survey Data to Spreadsheet

1) Copy "Copy Me" sheet
2) Copy and transpose survey data
3) Delete the first row and any rows that do not contain questions found in "Summary"
4) Copy data points and paste into "Fall" or "Spring"
5) "Summary" will automatically update
